

# ECOMIN PINK K3BL

**Stable aqueous dispersion of pink pigment with high color yield.**

**Physical Appearance**  
Pink Liquid

**pH**  
7.0-8.0

**Color Change**  
 $\Delta E < 1\%$

**Solubility**  
Soluble in water

**Odor**  
Odorless

**Storage**  
12 months, 25-35 °C.

**Health & Safety**  
SDS available upon request.

## Fastness Properties:

Fastness (at 3%)	Value
Lightfastness (ISO 105-B02)	<b>7-8</b>
Washing Fastness (ISO 105-C06)	<b>5</b>
