Product Features:

- Ecosol Colors are ready to use inks that can be intermixed to achieve the new shade.
- Ecosol Colors can be mixed with Ecosol base and Ecosol White.
- Provide high wash fastness, maintaining print quality even after multiple washes and wears.
- Suitable for machine and manual printing.

Application:

- **General Recommendations:**
 - Before use, please stir the product well. Do not use any additives that are not advised.
 - If necessary, to reduce viscosity adding 1-3% **Ecosol Thinner** is recommended.
- **Printing:**
 - Print & then crosslink at 150^o -160 °C (3-2 Min).
- **Cleaning:**
 - Clean the screen with **Ecosol Thinner** after printing.
